LB 138, 875

on this. We have worked with Senator Wickersham on the language so it would mesh with LB 138. We are in a position that we could move forward. We have a difficulty with the Governor's Office on primarily a question of funding. So, rather than jeopardize Senator Wickersham's bill, I will not be offering this amendment at this time. We hope to have this language adopted on the trauma bill that will be considered, hopefully, later this afternoon. But I am giving you an alert that we have worked through and reached an agreement on the trauma issue, with the exception of the question of funding, and there we have reached an impasse with the Governor's Office. We continue to negotiate on that. But again, rather than jeopardize Senator Wickersham's bill, which is an excellent bill, which we need to pass this year, I'm going to ask that we withdraw this amendment. Thank you.

PRESIDENT ROBAK: Thank you, Senator Wesely. The amendment is withdrawn.

CLERK: Senator Wickersham, I now have 2245, but I have a note you want to withdraw that, Senator.

PRESIDENT ROBAK: The amendment is withdrawn.

CLERK: I have nothing further on the bill, Madam President.

PRESIDENT ROBAK: Senator Bruning.

SENATOR BRUNING: Madam President, I move LB 138 to E & R for engrossing.

PRESIDENT ROBAK: Is there any discussion? Seeing none, the question before you is the advancement of LB 138. All those in favor say aye. All those opposed nay. LB 138 advances. LB 875.

CLERK: Senator Bruning, I have Enrollment and Review amendments first of all, Senator.

PRESIDENT ROBAK: Senator Bruning.

SENATOR BRUNING: Madam President, I move we adopt the E & R
